Will you send your gift to help?

Dear supporter,

Over one-thousand five hundred children count on the Bow PTO and all it has to offer. There's something for every age, every grade and we are committed to providing enrichment opportunities for ALL children.

Fundraisers over the past few years have raised over 50% less than in the past and the executive board is sponsoring an annual drive to help fill the gap. The Bow PTO programs and services enable Bow students to do more, learn more, and be more and we would very much appreciate your support.

That's why your support for the 2013 Annual Fund Drive is so important. Your donation helps provide the Bow School District Students with access to enrichment opportunities that will improve their lives, help them reach their potential, and ultimately give back to the Bow Community.

The Bow PTO Annual Fund Drive gives the community an opportunity to make a statement about the importance of education in the Bow Community. Please take a minute to send your donation today.
